TAKEUCHI PRESENTS BILL SMITH WITH TOP SALESMAN OF THE YEAR AWARD

Atlanta, GA: [Takeuchi-US](#), a global innovation leader in compact equipment, has announced that Bill Smith of [Cobb Country Tractor](#) was presented with Takeuchi Salesman of the Year for his successful sales efforts in 2019. This makes the third time Smith has taken top honors as Takeuchi's Salesman of the Year after ranking number one again in retail sales for North America.

Located in Marietta, GA., Cobb County Tractor is a full line dealer for Takeuchi. They serve the construction and landscaping industries, as well as offer parts and service. Takeuchi's Southeast Region Business Manager Steve DePriest was on hand in Marietta to present Smith with the much-deserved award.

"Bill Smith hands down knows the meaning of a true sales professional. We could not be more pleased of the way he represents our brand," said DePriest. He very much deserves to be recognized for his sales efforts, always going above and beyond the customers' expectations as well as Cobb County Tractor's expectations. Bill works extremely hard and logs long hours each and every day. Something else that sets Bill apart is that he is great with listening to customers and always understands their needs. We are proud once again present this award to him for his outstanding performance in 2019."

About Takeuchi

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, compact wheel loaders, and skid steer loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavator to North America, setting the stage for one of the highest growth product segments ever introduced in the compact equipment market. The compact excavator has become a main line product for both rental and construction/utility companies. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America.
