

FOR IMMEDIATE RELEASE

FEENAUGHTY MACHINERY COMPANY AWARDED TAKEUCHI DEALER OF THE YEAR

Atlanta, GA: [Takeuchi-US](#), a global innovation leader in compact equipment, has awarded [Feenaughty Machinery Company](#) as the 2020 Dealer of the Year for their successful sales efforts in 2019. Takeuchi's Regional Business Manager Hampton Wideman was on hand at the 2020 ConExpo show to present the much-deserved accolade.

Feenaughty Machinery was named Takeuchi Dealer of the Year after being ranked number one in total sales for Takeuchi products in 2019. The full-service construction dealer has two locations in Oregon, Portland and Eugene.

"We are honored and thrilled to award Feenaughty Machinery Company as Dealer of the Year, they are very much deserving of this recognition," said Wideman. "They are a top-performing dealer who has really done a great job with the Takeuchi brand throughout their territory. They always treat the customer as their number one priority and that is why they are so successful."

"It is an honor to be named Dealer of the Year by Takeuchi, as it really reflects the hard work of all of our employees at Feenaughty Machinery Company," said Randy Harris, President for Feenaughty Machinery Company. "We have a very knowledgeable staff who always puts the customer at the forefront of everything we do. Takeuchi has been a wonderful product line for us over the years and we have many customers who have become brand loyal."

About Takeuchi

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, compact wheel loaders, and skid steer loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavator to North America, setting the stage for one of the highest growth product segments ever introduced in the compact equipment market. The compact excavator has become a main line product for both rental and construction/utility companies. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America.
