TAKEUCHI'S DEALER SKYWORKS, LLC., EXPANDS INTO THE CLEVELAND, OHIO MARKET

Atlanta, GA: Takeuchi-US, an innovative global leader in compact equipment, announces that its existing dealer [Skyworks LLC.](#), will expand their footprint into Cleveland, Ohio. They will offer the full range of Takeuchi products including track loaders, excavators, and wheel loaders. In addition to stocking parts, this location will also be an authorized Takeuchi equipment service center to support both new and existing customers. Skyworks originally joined the Takeuchi dealer network in November 2018 with their location in Ft. Myers, Florida.

"Since joining Takeuchi in 2018, we have become very familiar with the Takeuchi brand," said Jerry Reinhart, president at Skyworks, LLC. "Takeuchi produces great machines and they continue to gain momentum in the market, and people love them."

"Skyworks has been around since 1999 and has grown their company to serve customers in eight states," said Henry Lawson, director of sales at Takeuchi-US. "We are confident they will do a great job for Takeuchi in Cleveland, not only with our products but supporting our customers in the Ohio market. We are excited about Skywork's new location and fully believe our products will do well."

About Takeuchi

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, compact wheel loaders, and skid steer loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavator to North America, setting the stage for one of the highest growth product segments ever introduced in the compact equipment market. The compact excavator has become a main line product for both rental and construction/utility companies. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America.
